

## PRODUCT INFORMATION

### PG-901 Diamond Grip Nitrile

#### Description:

These robust and durable gloves feature a unique “diamond grip” texture across their surface, allowing for outstanding grip - even when being used in greasy environments. The PG901 is made from a heavy-duty nitrile featuring tough tear resistance without compromising dexterity. This glove is also extremely easy to don and remove thanks to its polymer coating.

- ✓ Conforms to EN ISO 374-1:2016+A1:2018 - Type B
