Kutlass® PU300-12-OR

High cut resistant fingerless orange HPPE with PU coated palm. 2 fingers enclosed.

Specialised HPPE yarn provides good cut protection in this close fitting, comfortable glove. The seamless, lightweight and breathable liner assure maximum user comfort. PU coating provides good grip in oily situations and offers good abrasion resistance. Open thumb and first 2 fingers ensure maximum dexterity for special applications. The Sanitized® hygiene function promotes freshness, hygiene and odour repellence in extended usages.
