Intermediate Design

User Information

Glove care: To get the best service from your gloves ensure that after use all contaminant is removed.

Storage: store in dry conditions away from direct sunlight and heat. You are advised to retain this packaging for reference.

Warning: these gloves should not be worn where there is a risk of entanglement in moving machinery.

Fit for special purpose: Gloves are designed to be tight fitting to the hand, therefore they may not meet the requirements of EN420.
