

**TORNADO
GLOVES**
POWERED BY MCR SAFETY

GP1076LD • 13G Polyester Acrylic • Double Dip Latex

Winter Lined

Good.

A thermally lined cold environment glove with a double dip latex coating provides a powerful dry and wet grip with built-in water repellent properties.

- Thermally lined for warmth in cold environments
- Soft, comfortable and flexible
- Good dexterity
- Fully coated natural smooth latex
- Sandy second coating provides extra wet grip and superior dry grip
- Water repellent
- Sanitised to protect against bacteria and reducing odour
