AITEX, Notified Body No 0161 for the application of Directive 89/686/EEC of 21st December 1989 (O.G.E.C. of 30.12.1989), Royal Decree 1407/1992 of 20th November, in which the minimum requirements that Personal Protective Equipment (PPE) must comply with are set forth.

CERTIFIES:

The Company: JGM INTERNATIONAL
The Granary Business Park, School Road,
GB-NR12 8BU Neatishead - Norfolk

Has obtained **EC TYPE EXAMINATION INSPECTION CERTIFICATION**, in compliance with what is stated in Directive 89/686/EEC and in agreement with the applicable test procedures according to standards *UNE-EN 420:2004+A1:2010+ERRATUM 2011* general requirements, *UNE-EN 388:2004* mechanical risks of abrasion (Level 2), blade cut (Level 2), tears (Level 2) and puncture (Level 2) and *UNE-EN 511:2006* against risks of convective cold (Level 2), contact cold (Level 4) and water penetration (Level 0), having attained the levels of provision specified in **TEST REPORT No. 2014EP1539** and in **PPE'S TECHNICAL DOCUMENTATION**.

Said certification is valid for the following articles:

PPE TYPE "GLOVE MOD. FG610" destined to the protection of the user palm against mechanical risks of abrasion, blade cut, tear, puncture, and to the protection of the whole hand of the user against convective and contact cold risks.

Manufactured by: JGM INTERNATIONAL

PPE DESCRIPTION:

Five-fingered glove made from black woven fabric, black knitted fabric and grey leather fabric. The entire glove is lined in white non-woven fabric. The glove is made from several pieces joined by seams and comprises palm, back and cuff. The palm is made from several pieces. It is made from grey leather fabric. The back is made from black woven fabric, and has a grey leather strip. A red label is sewed near the strip. The cuff is made from black elastic knitted fabric. Inside, on the seam that joints the glove mouth with the cuff the glove has a label that indicates the size. At the back the cuff has a grey leather strip sewed.

The materials that form the PPE, are described in the test report No. 2014EP1539.

It shall be the manufacturer's sole responsibility to furnish specific information pertaining to this certificate and the tested levels of protection.
