

# EC Declaration of Product Conformity

The manufacturer established in the community;

**BM Polyco Ltd  
Crown Road  
Enfield  
EN1 1TX  
United Kingdom**

Certified to ISO 9001

declares that the new PPE described hereafter

## **FUSION**

### **Powder Free Polyamide Disposable Glove**

is in conformity with the provisions of Council Directive 89/686/EEC and has been self-certified as simple design

For Minimal Risks only

#### **User Information**

Fusion is a disposable glove that is suitable for the handling of food products prior to cooking and where there is a risk of touching the cooking surface; for example, a hotplate or griddle. Fusion is made from a polyamide polymer, which can withstand temperatures of up to 200°C.

Storage: store in dry conditions away from direct sunlight and heat.

You are advised to retain this packaging for reference.

Do not expose to flames.

**Caution: Fusion does not provide protection against contact heat.**

## Food Contact

Fusion have been tested in accordance with EN1186. They are suitable for use with all food categories in situations of short term, repeat contact.
